SABAL PALM COMMUNITY DEVELOPMENT DISTRICT

PARKING RULES AND REGULATIONS Rule Number 2026-01

1. The rules and regulations herein shall be referred to as the “Sabal Palm Community Development District Parking Rules and Regulations” or the “Parking Rules.”
2. No vehicles of any nature shall be parked on any portion of the Sabal Palm Community Development District (the “District”)-owned property except on the surfaced parking areas specifically designated for parking. Vehicles may not be double-parked in marked parking spaces such that any tire of a vehicle parked in one parking space extends into another parking space.
3. Parking is prohibited upon or within all non-paved District property, including, but not limited to, green areas or other landscaped areas owned by the District and grass swales and landscaped areas within or adjacent to any District rights-of-way. This prohibition shall remain in effect twenty-four (24) hours per day, seven (7) days per week.
4. During daytime hours, on-street parking is generally permitted except where signage indicates otherwise and provided that, (i) driveways are not blocked, (ii) posted “no parking” signage is observed, and (iii) vehicles are not parked within areas designated as prohibited. For the purposes of this rule, daytime hours mean between the hours of 6:00 AM and 11:59 PM daily.
5. Overnight on-street parking is prohibited. For the purposes of this rule, overnight on-street parking means vehicles parked between the hours of 12:00 AM and 5:59 AM. Overnight parked vehicles must be parked within a private driveway, garage, or guest parking space, unless the vehicle owner obtains a valid overnight parking pass and visually displays the overnight parking pass on the dashboard of the vehicle.
6. Overnight parking in guest parking spaces and mailbox parking spaces is prohibited unless the vehicle owner obtains a valid overnight parking pass and visually displays the overnight parking pass on the dashboard of the vehicle.

7. No vehicles shall be parked within or adjacent to District-owned property in a manner which damages, blocks, obstructs, or otherwise interferes with the proper functioning of District-owned or maintained drainage facilities and structures, fire hydrants, or other public utilities. This prohibition shall remain in effect twenty-four (24) hours per day, seven (7) days per week.
8. No vehicles shall be parked within or adjacent to District-owned property, including alleys or alleyways, in a manner that extends out into the roads or rights-of-way such that it does not leave at least nine (9) feet of clearance for traffic; in a manner that impedes or prevents law enforcement, emergency, public utilities, moving, or commercial delivery vehicles from accessing such roads or rights-of-way; or in a manner that blocks a sidewalk or obstructs access to a driveway.
9. No vehicles shall be parked within or adjacent to any roundabout located on District-owned property in a manner that obstructs, restricts, or otherwise interferes with the safe and continuous flow of vehicular traffic, emergency access, or the proper functioning of related roadway facilities. This prohibition shall remain in effect twenty-four (24) hours per day, seven (7) days per week.
10. Designated handicap parking spaces are to be used when handicap decal, state-issued placard, or disability plates with attached emblems are displayed on the front and/or rear of the vehicle.
11. Marked law enforcement or other emergency vehicles are exempt from these Parking Rules during the period of time such vehicles are being used in conjunction with law enforcement officers or emergency responders performing official duties at that location, and as otherwise provided by applicable law.
12. Any vehicle parked in violation of these Parking Rules may be towed at the vehicle owner's expense by a towing contractor approved by the District, subject to the provisions of applicable ordinances of Broward County and the Florida Statutes.
13. "No Parking" signs and other parking signs related to the enforcement of the Parking Rules shall not be removed. Damaging or removing the parking signs is a violation of the Parking Rules and may constitute a crime, including, but not limited to, the crime of Criminal Mischief under section 806.13, Florida Statutes, punishable as provided therein, and/or the crime of Theft under section 812.014, Florida Statutes, punishable as provided therein.

14. Statutes traffic and parking rules and regulations of the City of Tamarac (the “City”) or the State of Florida, including, but not limited to the requirements of Chapter 316, Florida Statutes, are to be enforced by the law enforcement agency or department servicing the City or other approved law enforcement agency having jurisdiction thereof.
15. If District-owned property (including, but not limited to, sod or landscaping) is damaged or in need of repairs as a result of the violation of these Parking Rules, the District will provide an invoice to the property owner who is in violation for the reasonable cost of repair or replacement. In the event the invoice remains unpaid, the charges for the repair or replacement of District-owned property shall be added to the Operations and Maintenance assessment attributable to the violator’s property within the District on the next ensuing tax bill.
16. The enforcement of these Parking Rules may be temporarily suspended or relaxed in whole or in part for specified periods of time (for example, on certain holidays or in the event of an emergency or natural disaster), as determined by the District’s Board of Supervisors in its sole discretion.
